

# FGS THE RESTORATION COMPANY

Volume 7, Issue 4

## You Can Trust FGS The Restoration Company

FGS The Restoration Company is known as the best. With that goal in mind, our team promises you the following:

- To treat every customer with respect
- To respond to emergency calls 24 hours a day and be on the scene as soon as possible
- To work closely with the insured, agent and adjuster to ensure customer satisfaction
- To provide the correct scope on losses using unit cost pricing.
- To assist with subrogation by not disturbing the source of loss until investigation is completed.
- To mitigate by extracting water and boarding up any open areas of the home or building immediately.

**The #1 reason that people change insurance companies is a poorly handled claim.**

Reasons that you can trust FGS The Restoration Company include:

- We have been in the Madison area working with insurance companies for over 20 years
- We guarantee our craftsmanship for a minimum of one full year
- We will handle any size loss from a hundred and fifty dollars to multi million.
- We specialize in insurance repairs such as water, fire, wind, hail, vandalism and vehicle impacts
